List the Proposal Number on the outside of the box or envelope and note, "Request for Proposal enclosed".

D. Evaluation of Proposals (Procedure)

Metro will first examine proposals to eliminate those, which are clearly non-responsive to the stated requirements. Therefore, Offerors should exercise particular care in reviewing the Proposal Format required for this RFP.

The Office of Minority and Women Business Assistance (BAO) will work with proposers to ensure effort was made to satisfy the Procurement Nondiscrimination Program requirements. However, after limited engagement, if a firm fails to demonstrate effort to achieve this requirement, the BAO will request of the Purchasing Agent that the proposal be determined non-responsive.

Proposers who are determined to be non-responsive and/or non-responsible will be notified of this determination. The remaining proposers will also be notified.

The evaluation committee will then score all responsive and responsible proposals based upon the evaluation criteria detailed herein. Upon completion of the initial scoring, the committee may recommend a single finalist or enter into a short-listing process with those offerors whose proposals are determined to be in the competitive range.

The detailed evaluation process that follows the initial scoring may result in, but not limited to, a series of requests of the offerors for clarifications, additional discussions, presentations, amended proposals, contract negotiations, best and final offers, and/or detailed reference checks. This process may involve multiple short-listing rounds for the purpose of achieving contracts that are in the best interests of Metro as determined by the evaluation committee.

The method used for scoring objective criteria (cost, small business participation, time of completion, etc.) shall be based on comparison of all responsive and responsible proposals.

Other criteria scores may be adjusted upward or downward during discussions. This movement will result from further detailed review of short listed proposals and consideration of additional information received through discussions and written submittals. However, the points will not exceed the total points available for that evaluation criterion.

If, during discussions, Metro discovers modification of requirements is necessary, the request will be amended. Subsequent scorings may be based on comparison of only the short listed proposers.

At any time during the evaluation process, it is determined that a proposal is non-responsive or non-responsible, that proposal will be removed from consideration for award and all proposers notified of this decision.

Metro reserves the right to contact any and all references to obtain, without limitation, information regarding the Offeror's performance on previous projects. A uniform sample of references will be checked for each short-listed offeror.

The Metro Purchasing Agent reserves the right to withdraw this RFP at any time and for any reason and to issue such clarifications, modifications, and/or amendments as it may deem appropriate.

Receipt of a proposal by the Metro Procurement Division or a submission of a proposal to the Metro Procurement Division offers no rights upon the Offeror nor obligates the Metropolitan Government of Nashville-Davidson County in any manner.

The Purchasing Agent reserves the right to waive minor irregularities in proposals, provided that such action is in the best interest of Metro. Any such waiver shall not modify any remaining RFP requirements or excuse the Offeror from full compliance with the RFP specifications and other contract requirements if the Offeror is awarded the Contract.

In order to complete the evaluation process faster, list the name, address, phone number, fax number, and email address of the person capable of answering any questions that may arise during the evaluation process.

H. Acceptance of Proposals

The Purchasing Agent shall accept all proposals that are submitted properly. However, the Purchasing Agent, or designee, reserves the right to request clarifications or corrections to proposals.

I. Requests for Clarification of Proposals

Requests by the Evaluation Committee for clarification of proposals shall be distributed by the Procurement Staff in writing (or email).

While Metro believes all these items to be of importance, their relative weight is indicated by the points each evaluation criteria could receive. Within each evaluation criteria, subsets of the criterion may be defined to clarify the point distribution for that evaluation criteria. Guidelines for Assistance to Small Businesses

I. Assistance to Small Businesses as Prime or Subcontractor for Construction and/or Other Services

The Metropolitan Government of Nashville and Davidson County (Owner) has established guidelines, which provide incentives to maximize the participation of Small Businesses as Prime or Subcontractor for construction and/or other services.

II. Small Businesses as Prime or Subcontractor for Construction and/or Other Services

This section provides the definition of a Small Business as contained in the Metropolitan Procurement Code, and the additional criteria for Small Business status as set forth in the Regulations to the Metropolitan Procurement Code.

A Small Business satisfies all of the following criteria:

- (a) A United States business which is independently owned and operated, and which is not dominant in its field of operation or an affiliate or subsidiary of a business dominant in its field of operation;
- (b) Either has no more than the following number of employees or has no more than the following annual sales volume for the applicable industry; and

 4. Not be owned, controlled, or directed by individuals or groups of individuals who own, control, or direct a large business involved in the same category of work as the business for which small business status is sought;
 5. If a supplier, be an authorized regular distributor with normal wholesale agreements for the Product or products to be supplied; and
 6. If a construction contractor, be licensed as required by the state to perform the work for which it has submitted a bid or has been proposed by a prime as a subcontractor.

*NOTE: Employee means a person (or persons) employed on a full-time (or full-time equivalent), a permanent basis. Full-time equivalent includes employees who work 30 hours per week or more. Full-time equivalent also includes the aggregate of employees who work less than 30 hours a week, where the work hours of such employees add up to at least a 40 hour work week.

The totality of the circumstances, including factors relevant for tax purposes, will determine whether persons are employees of a concern. Temporary employees, independent contractors or leased employees are not employees for these purposes. The owner(s) are excluded from this classification.

SMALL BUSINESS STATUS

If Firms desire to claim the status as a small business, they must

- 1) Be registered to do business with Metro at <https://smartrac.nashville.gov/newvendorlogin.aspx> , and
- 2) Have been approved as a small business through the submission to Metro of documentation to confirm small business status including a copy of their two most recently submitted business tax returns as well as IRS form 941- Employer's Quarterly federal tax return.

This information will be reviewed Metro's BAO and used to confirm the small business status. Small business status must be approved by Metro **prior** to submission. ***While Metro commits to having documents reviewed and status granted as quickly as possible after the receipt of the necessary documentation, to be safe, documents should be submitted no later than four days before the proposal opening date to allow time for status to be granted.***
